DETAILED ACTION - ALLOWANCE

The terminal disclaimer filed on July 12, 2005 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6,765,732 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Claims 1-28 are allowed in light of the above-noted Terminal Disclaimer. The extant differences and similarities between the claims of the instant application and the claims of U.S. Patent No. 6,765,732 are discussed the previous Office action. All claims thus being allowable, prosecution on the merits is closed in this application.
